Upcoming Events

Watch for the return of the **City Learning Series Walking Tour of Downtown Beaverton**. Beaverton's downtown core has seen many changes over the past few years including the City Library, the Round, and the Hall-Watson Beautification Project. Last spring, over 20 people participated in the walk, which started at the City Library and ended at the Round. City staff participated in the walk to answer questions that came up along the route regarding street trees, land use and development, and traffic. The walk is a fun way to get to know your downtown. Watch the Your City and the City's web site for more information including a date, time, and route!

On Tuesday, April 27, from 7:00 pm to 9:00 pm in the Beaverton City Hall Council Chambers, the Beaverton Committee for Citizen Involvement (BCCI) and the City will sponsor the **Spring 2004 Voters' Forum**. The forum will feature candidates for local races including Beaverton City Council. Additional information, including races and candidates to be featured will be forthcoming- watch the City's web site and local media for additional information.

Each year, the City and Beaverton Area Chamber Commerce sponsor the **Volunteer Service Awards** which recognize outstanding volunteer service in the Beaverton community. Later this spring, nomination forms will be available throughout the community, as well as on the City's web site. Think about neighbors who make a difference in your life and be sure to help recognize them for their efforts!

On Monday, March 29th, from 6pm to 8pm in The Beaverton City Library, the Tualatin Basin Partners for Natural Places will sponsor an informational meeting and public hearing regarding developing a plan to conserve fish and wildlife habitat in the Tualatin Basin. The public is encouraged to learn more about draft analyses and recommendations on the degree of fish and wildlife protection.
